To Whom It May Concern

I am writing to recommend **Moaz Mohammed Talal Mushtaha** based on his performance in the course Mobile App Programming (1) and (2). I had the chance to teach **Moaz** during these courses and found him to be a committed and hard-working student. He showed a very good understanding of mobile programming concepts and completed his practical tasks efficiently.

Moaz is respectful, motivated, and eager to learn. I believe he is well-prepared for advanced academic opportunities and recommend him for your scholarship/admission program.

If you require any further information, please do not hesitate to contact me.

Sincerely,

Eng. Hazem A. S. Alrakhawi
